b) Require a By-election to be held to fill the Vacancy in accordance with the *Municipal Elections Act*, 1996.

Appointment Procedure

Notice of Vacancy

Following a Declaration of a Vacant Council seat by Council, the Clerk will prepare a post for circulation and Candidate packages will be made available online and paper copies once the notice of vacancy is posted.

The Clerk shall post a Council Vacancy Notice on the Municipal website, social media platforms, printed copies in the Township Office and other municipal facilities with public traffic for two (2) consecutive weeks. The notice shall indicate Council's intention to appoint an individual to fill a vacancy and shall outline the nomination process.

Mayor Vacancy

If the Vacancy is in the office of the Mayor, the seat will be offered to the Deputy Mayor, as the Councillor with the highest number of votes cast in their favour in the most recent municipal election. If the Deputy Mayor declines the seat, Council may choose to fill the Vacancy by appointing a current member of Council who is a qualified individual as outlined in Section 256 of the Act.

The appointment of a current member of Council to fill the Vacancy on Council shall take place at a Special Meeting of Council called for such purposes, within 60 days of declaring a Vacancy.

Only a member of Council elected for the term in which the appointment is taking place shall be considered eligible for appointment.

At the Special Meeting of Council, the Chair may call for nominations from the floor. The Chair will request that any member of Council interested in being nominated shall indicate their interest by raising their hand. Anyone being considered for nomination must be present in Council Chambers.

Individuals seeking appointment to the position of Mayor who are current members of Council (nominees) shall declare a pecuniary interest.

Upon receipt of nomination, the Chair will ask if the nominee(s) accept the nomination. Nominations shall be confirmed by Resolution.

If there is only one nominee, the Clerk then shall declare and confirm the nominee to be appointed to the office of Mayor and a Resolution shall be passed.

If there are multiple nominees, then Council will debate the matter and pass a resolution to appoint a member to the vacant office.

The successful Candidate shall formally be appointed by By-Law and complete the Oath of Office (required by subsection 232 of the Municipal Act and administered by the Clerk) immediately after the conclusion of the voting, and the new member shall take their Declaration of Office before taking their seat on Council.

Council Vacancy

Within the First Two Years of the Municipal Election:

Should a Council vacancy occur within two years of a municipal election, the Candidate with the highest number of votes cast in their favour shall be offered the Councillor seat; provided that the Candidate obtained a minimum of 20% of the total number of ballots cast.
In the event that the Candidate with the next highest total of votes cast in their favour does not accept the seat, the Clerk shall go to the next Candidate with the next highest number of ballots cast in their favour and with a minimum of 20% of the total number of ballots cast, and so on.

Should a point be reached where the remaining Candidate(s) from the municipal election did not obtain a minimum of 20% of the total ballots cast, the candidates shall not be awarded the seat and the Clerk will implement the Council Vacancy Application procedure.

During the Remaining Two Years of a Council Term Before a Municipal Election:

The Council Vacancy Application procedure shall be utilized for the selection of a Councillor to fill a vacancy.

Any individual wishing to be considered for appointment to fill the Council vacancy will complete and sign the Council Vacancy Application form, Council Vacancy Declaration of Qualification form approved by the Clerk, and Council Vacancy Freedom of Information (FOI) Release, and will submit the forms to the Clerk in person by the date and time established by the Clerk.

Individuals filing the above forms will be required to provide identification showing their name and a qualifying address to the satisfaction of the Clerk.

Once submitted, the forms will be made available to the public in the same way as a nomination form for a candidate in a municipal election. They will be circulated to members of Council and copies will be placed on the Township website.

Applicants may also submit a personal statement of qualification for consideration of Council. Personal statements will be typewritten in a 12-point (or greater) font on letter size (8 1/2" x 11") paper, shall not exceed one page in length and will include the applicant's name and address.

Statements that do not meet these requirements will not be included in any Council meeting agenda or be provided to Council by the Clerk. The Clerk's office will advise applicants of the deadline for the submission of personal statements.

It is the applicant(s) sole responsibility to meet any deadline or otherwise comply with any requirements of this procedure.

The Clerk will create a list of all applicants, hereinafter referred to as candidates and publish once the submission deadline has passed and the candidates have been Certified.

Special Council Meeting

The list of candidates will be considered at an open Council meeting. The meeting will be a special Council meeting called for that purpose.

Notwithstanding the requirements of the Procedural By-law, the agenda for the meeting shall be set by the Clerk to allow for the orderly proceeding of selecting a candidate, while respecting the standard agenda of a regular Council meeting if applicable.

Copies of all application documents will be included with the agenda package for the meeting and will be made available as part of the public agenda.

At the scheduled meeting, the following shall take place:

a) The Chair will make a short statement of the purpose of the meeting and the general order of proceedings to be followed.

b) The Clerk will provide to the Chair a list of names of those individuals who have indicated, in writing, their interest in being appointed to the vacancy and the Chair will call for a motion from Council in the following form:

   "That the following individuals, who have signified in writing that they are legally qualified to hold office and consented to accept the office if they are appointed to fill the vacancy be considered for appointment to fill such vacancy".

c) Council shall review the list of candidates and their statements of qualifications.

d) Each of the candidates shall be afforded the opportunity to address Council for a period of not more than ten (10) minutes. The order of speaking shall be determined by lot. The names drawn shall address Council in the order they are drawn from the container. Candidates not presenting shall be sequestered in a separate area until it is that persons' turn to speak.

e) Once each candidate has completed speaking, each Council member may ask a maximum of two (2) questions per candidate. No scoring system shall be used in considering the answers to the questions. It is not necessary for any candidate to participate in answering any or all of the questions.

f) Upon reviewing the candidates and statements of qualification, Council will proceed to vote as follows:

i) Council will vote by way of public vote, and all candidates will be invited to witness the voting and the remainder of the meeting. Members of Council shall verbally cast their vote.

ii) Candidate names shall be displayed in alphabetical order for Council and the public to view.

iii) Members of Council shall vote for one candidate only.

iv) The Clerk shall call upon the member of Council to verbally cast vote in random order, Council members names shall be drawn by lot.

v) The Clerk or designate shall tabulate the results.

vi) If the candidate receiving the greatest number of votes cast does not receive more than one half of the votes of all voting Members of Council, the candidate who received the fewest number of votes shall be excluded from further consideration. Candidates receiving zero votes shall be excluded.

The vote will be taken again by the Clerk and, if necessary, more than once, excluding in each successive vote the candidate who received the fewest number of votes. This process shall be repeated until the candidate receiving the greatest number of votes has also received more than one half of the votes of the voting members of Council.

vii) If a tie exists between two or more candidates for the fewest number of votes received, the Clerk shall put all the candidates' names tied for the fewest number of votes in a container and pull one such candidate from the container to be excluded from the subsequent voting.

viii) Where the votes cast are equal for all candidates and if there are three or more candidates remaining, the Clerk shall put qualifying candidates' names into the container and pull one such candidate from the container to be excluded from the subsequent voting.

ix) Where the votes cast are equal for all candidates and if only two candidates remain, the Clerk will break the tie by pulling the name of the successful candidate from the container. The Candidate whose name is pulled by the Clerk will be declared elected.

x) Upon conclusion of the voting, the Clerk will note the candidate receiving the votes of more than one half of the number of the voting members or the candidate selected through section f.ix.

xi) A By-law confirming the appointment of the successful candidate shall be enacted by Council immediately after the conclusion of the voting, and the new member shall take their Declaration of Office before taking their seat on Council.

General Voting Rules

Each piece of paper used by the Clerk to draw names of candidates (by lot) in accordance with the requirements of this Procedure will be created by the Clerk and will be equal in size and type and will contain the name of one member only, last name appearing first followed by first name.
Only the Clerk or their delegate may handle the pieces of paper or the container referenced in this procedure.

The minutes of the Council meeting shall include a full disclosure of all voting results.

Dear Mayor Yemm:

On behalf of AMCTO, I am extremely pleased to announce that **Kris Croskery-Hodgins** is the recipient of our 2026 **AMCTO Zone 7 Award.** AMCTO Zone Awards are presented annually to AMCTO members (past or present) belonging to each of our nine Zones, who have been nominated by peers on their respective Zone Executive. These awards recognize an individual's commitment to the activities of their Zone or to the advancement of the municipal profession within their local community.

Kris was presented with this award on June 9 at our 2026 Awards Gala Dinner held in conjunction with our 2026 conference in the Town of Huntsville. We believe that this is a tremendous accomplishment and should be observed with pride by your municipality.

AMCTO is the largest municipal professional association in Ontario, and the leading provider of education and accreditation for local government professionals. Ombudsman Ontario's 2025-2026 Annual Report

As Acting Ombudsman of Ontario, it is my great pleasure to send you two hard copies (one English, one French) of our Office's 2025-2026 Annual Report.

In my more than 20 years with this Office, we have never seen such broad demand for our services. This report reviews key trends in the **35,023** complaints and inquiries we received, and examples of how we helped protect the rights of vulnerable children, people with disabilities, inmates and Ontarians seeking services in French.

We handled record numbers of cases in several areas of our jurisdiction, including 4,898 cases about municipalities (see p. 36), 1,346 about school boards (p. 53), 530 about colleges of applied arts and technology (p. 57), and 436 about youth justice centres (p. 62).

For the first time, we are also reporting on our commitment to helping Indigenous Peoples, as set out in the Indigenous Services Plan we launched in March. We helped 674 people who self-identified as Indigenous or brought complaints about Indigenous programs or services.

Other notable developments in 2025-2026 were our new Good Governance Awards (p. 18), our 50th Anniversary commemoration (p.17), former Ombudsman Paul Dubé's end-of-term report (p. 19), and French Language Services Commissioner Carl Bouchard's Annual Report (p. 85).

I encourage you to explore the various topic chapters of the report, as well as the case statistics in the Appendix. Please feel free to share it with colleagues and any other interested parties.

The entire report is also on our website. We can provide more copies upon request.

If you have any questions about the report or cases related to your organization, please feel free to contact us. We are also happy to answer general questions about our work. Our staff can be reached via email at info@ombudsman.on.ca.

Au cours de mes quelque 20 années au sein de ce Bureau, nous n'avons jamais constaté une telle demande pour nos services. Ce rapport examine les principales tendances des **35 023** plaintes et demandes de renseignements que nous avons reçues, et des exemples de la façon dont nous protégeons les droits des enfants vulnérables, des personnes en situation de handicap, des détenu(e)s et des Ontarien(ne)s voulant obtenir des services en français.

Nous avons traité un nombre record de cas dans plusieurs secteurs de notre compétence, notamment 4 898 cas concernant des municipalités (voir p. 36), 1 346 concernant des conseils scolaires (p. 53), 530 sur des collèges d'arts appliqués et de technologie (p. 57) et 436 sur des centres de justice pour la jeunesse (p. 62).

Pour la première fois, nous rendons compte de notre engagement à aider les peuples autochtones, conformément au Plan de services aux Autochtones que nous avons lancé en mars. Re: Policy Without Appropriation: Physician Shortage in Northern Ontario and the Practice Ready Ontario Program

Dear Premier Ford,

On behalf of the Council of the Town of Bruce Mines, we are writing to, once again, address the physician shortage in Northern Ontario. This critical issue has been front and centre for years, and while the *Practice Ready Ontario (PRO)* program—which evaluates internationally educated family physicians to confirm they are ready to practice in Ontario—is widely acknowledged and genuinely applauded, the province appears to have stopped short of closing the loop.

Therefore, council is compelled to express our concern in the gap between the government's opening the door to a solution but falling short of providing the financial framework needed to walk through it.

Northern Ontario's municipalities face a structural imbalance that is fundamentally different from communities in the south. We are small in population, geographically dispersed, and operate with limited tax bases that cannot support the escalating costs associated with physician recruitment, retention, and community health infrastructure. Despite these limitations, municipalities are increasingly expected to shoulder responsibilities that fall squarely within the provincial mandate for health care delivery.

Municipalities **have** stepped in where we can, but we cannot continue to fund physician recruitment packages, housing incentives, locum coverage, or clinic operations without dedicated provincial support. The current model places an unsustainable burden on small

communities that simply do not have the tax revenue to fill the gaps left by the provincial health care system.

We respectfully request that the Province of Ontario:

1. **Establish a dedicated Northern Ontario Physician Recruitment and Retention Fund,** accessible to small and rural municipalities ensuring communities are not forced to subsidize provincial healthcare responsibilities.
2. **Work directly with Northern municipalities** to develop a coordinated strategy that reflects the unique demographic, geographic, and fiscal realities of the North.

We would welcome the opportunity to discuss this matter further and look forward to a written response from your office.

Sincerely,

Lory Patteri

Resolution No.: 2026-0107

Title: **Modernizing Ontario's Invasive Plants Rules to Protect Taxpayers, Municipal Lands, Agriculture, Natural Heritage and Local Gardens**

Date: June 1, 2026

Moved by: **Councillor J. Brass**

Seconded by: **Councillor C. Garneau**

Item No. 12.3

WHEREAS invasive plants, shrubs, vines, groundcovers, ornamental species, seeds and nursery stock can cause significant damage to municipal infrastructure, roadsides, stormwater systems, parks, trails, natural heritage areas, agricultural lands, woodlots, shorelines, private property and local biodiversity;

AND WHEREAS Ontario municipalities and conservation authorities are estimated to spend approximately $50.8 million annually managing invasive species, and the average annual cost per Ontario municipality has been estimated at $218,148, with approximately 80% of expenditures directed toward control and management rather than prevention; (Invasive Species Centre)

AND WHEREAS these costs are ultimately borne by local taxpayers, conservation authorities, property owners, farmers, volunteers and community groups who are often left to manage invasive species after they have already been introduced, sold, planted, escaped cultivation and spread;

AND WHEREAS the Province of Ontario, through the Invasive Species Act, 2015, which allows species to be listed as prohibited or restricted, and which can make it illegal to import, possess, transport, propagate, buy, sell, lease or trade listed invasive species; (Invasive Species Centre)

AND WHEREAS the concern is not with plants that are already clearly prohibited or restricted, but with invasive species and seeds and nursery stock that may

continue to be sold or distributed before modernized provincial rules, public guidance and retail practices have fully caught up with current science and local experience;

AND WHEREAS garden centres, nurseries, landscape suppliers, seed distributors, online retailers, landscapers and residents all have an important role to play in preventing the spread of invasive plants before they become a costly municipal and environmental problem;

AND WHEREAS the Ontario Invasive Plant Council's Grow Me Instead program promotes native and non-invasive alternatives for healthy, diverse and wildlife-friendly gardens, and its updated Southern Ontario guide includes additional invasive plants and alternatives to help residents, gardeners and landscapers make better choices; (Ontario Invasive Plant Council)

AND WHEREAS recent local reporting in Halton Hills has highlighted the importance of choosing native alternatives to invasive garden plants, including through Grow Native Halton and the Ontario Invasive Plant Council's Grow Me Instead resources;

AND WHEREAS the continued sale and distribution of invasive ornamental plants undermine the work of municipalities, conservation authorities, environmental organizations, horticultural societies, local volunteers and residents who are investing time and taxpayer dollars to remove and manage these same species;

AND WHEREAS prevention at the point of sale is more cost-effective, more practical and more respectful of taxpayers than asking municipalities and property owners to pay for removal after invasive species have spread across property lines and municipal boundaries;

AND WHEREAS invasive plants do not recognize municipal boundaries, and effective prevention requires coordinated action by the Province of Ontario, the Government of Canada, municipalities, conservation authorities, Indigenous communities, agricultural organizations, the nursery and landscape sector, retailers, landowners and residents;

NOW THEREFORE BE IT RESOLVED THAT Council for the Town of Halton Hills respectfully request that the Province of Ontario, in consultation with municipalities, AMO, ROMA, conservation authorities, the Ontario Invasive Plant Council, Indigenous communities, agricultural organizations, environmental organizations, horticultural societies, the nursery and landscape sector, garden centres and other relevant stakeholders, undertake a review and modernization of Ontario's invasive plant regulatory framework;

AND FURTHER THAT this review include consideration of expanding and regularly updating the list of prohibited and restricted invasive plant species, including invasive plants, shrubs, vines, groundcovers, ornamental species,

seeds and nursery stock that pose a risk to Ontario's natural heritage, agriculture, municipal infrastructure, parks, trails, roadsides, stormwater systems and private property;

AND FURTHER THAT the Province of Ontario be requested to prohibit the sale, distribution, propagation and trade of listed invasive plant species through garden centres, nurseries, landscaping suppliers, online retailers, seed distributors and other commercial pathways;

AND FURTHER THAT the Province of Ontario be requested to develop clear labelling, public education and retailer guidance requirements so that residents, gardeners, landscapers and retailers can easily identify invasive species and choose native or non-invasive alternatives;

AND FURTHER THAT the Province of Ontario be requested to work with the nursery, garden centre and landscape sectors on a practical transition plan that supports compliance, protects small businesses, promotes native and non-invasive alternatives, and prevents invasive plants from continuing to enter communities through ordinary consumer purchases;

AND FURTHER THAT the Government of Canada be requested to review and strengthen, where appropriate, federal import, border, labelling and online sales rules related to invasive plants, seeds and nursery stock entering Canada, so that provincial prevention efforts are not undermined by interprovincial or international trade;

AND FURTHER THAT the Province of Ontario and Government of Canada be requested to support municipalities, conservation authorities and community partners with stronger prevention tools, updated science-based lists, public education materials and funding programs that prioritize prevention over costly long-term control and removal;

AND FURTHER THAT a copy of this resolution be forwarded to the Premier of Ontario, the Ontario Minister of Natural Resources, the Ontario Minister of Agriculture, Food and Agribusiness, the Ontario Minister of Municipal Affairs and Housing, the Ontario Minister of the Environment, Conservation and Parks, the federal Minister of Environment and Climate Change, the federal Minister of Agriculture and Agri-Food, Halton-area MPs and MPPs, the Region of Halton, HRFA, OFA, Conservation Halton, Credit Valley Conservation, Grand River Conservation Authority, AMO, ROMA, FCM, the Ontario Invasive Plant Council, Landscape Ontario, the Canadian Nursery Landscape Association, and all Ontario municipalities for their consideration and support.

RE: SUPPORT FOR THE ONTARIO HEALTH CARE SYSTEM

Please be advised that at the Municipality of Central Manitoulin Council meeting of June 25, 2026, the following motion was approved:

194-2026 That the Council of the Municipality of Central Manitoulin supports the following motion from the Municipality of Northeastern Manitoulin & The Islands:

WHEREAS the Canadian Center for Policy Alternatives (CCPA) has conducted research which unequivocally identifies that Ontario Hospitals are underfunded by the Government of Ontario;

AND WHEREAS the CCPA study, Failure by Design, clearly identifies that smaller and rural hospitals are disproportionately disadvantaged by the underfunding;

AND WHEREAS as a direct result of the underfunding Emergency Department wait times for an initial physician assessment have increased to 4.5 hours in 2024 – 2025 from 2.7 hours in 2020 – 2021;

AND WHEREAS 90 percent of patients spend on average 44 hours in the emergency department waiting to be admitted when further care is required;

AND WHEREAS the Provincial Government increased total health care spending from 7.4 percent of GDP in 2014 to only 7.6 percent of GDP by 2023, which did not keep pace with raising health care costs:

THEREFORE BE IT RESOLVED THAT the Council for the Municipality of Central Manitoulin request that the Province of Ontario provide immediate and sustained funding to improve hospital finances and capacity, which as per the recommendations in the CCPA study, would require an immediate injection of $3.2 billion supported by annual increases of 6% per year thereafter.

AND FURTHER THAT this resolution be circulated for endorsement to:

- *All municipalities*
- *Association of Municipalities of Ontario*
- *Rural Ontario Municipal Association*
- *Bill Rosenberg, MPP Algoma-Manitoulin*

WHEREAS Ontario's publicly funded hospital system provides essential health care services to residents across the Province, including those living in rural, northern, and remote communities; and

WHEREAS the Canadian Centre for Policy Alternatives (CCPA), in its report *Failure by Design*, identifies that Ontario hospitals are significantly underfunded compared to the growing demand for health care services, with rural and northern hospitals experiencing disproportionate impacts; and

WHEREAS increasing emergency department wait times, prolonged hospital admission delays, staffing pressures, and limited hospital capacity continue to affect the delivery of timely and accessible health care for Ontario residents; and

WHEREAS residents of the Municipality of Wawa rely on a strong and sustainable rural health care system, and adequate provincial funding is essential to ensure hospitals can continue to provide safe, high-quality care close to home; and
WHEREAS the Council of the Town of Northeastern Manitoulin and the Islands has requested municipalities across Ontario support its call for increased provincial investment in hospital funding;

Re: Review of the Ontario Land Tribunal and Enhancing Deference to Municipal Planning Decisions

Please be advised that at its meeting held on June 22, 2026, the Council of the Town of Whitby adopted the following as Resolution # 166-26:

> Whereas local councils are elected by residents to make planning decisions that reflect the needs and priorities of their communities;
>
> Whereas municipalities rely on extensive public consultation, professional planning advice, engineering studies, and technical reports when making land-use decisions;
>
> Whereas the Ontario Land Tribunal (OLT) has the authority to overturn municipal planning decisions, often requiring municipalities to spend significant taxpayer dollars defending decisions that have already undergone a thorough local review process;
>
> Whereas lengthy and costly appeals can delay housing projects, consume municipal resources, and reduce the ability of municipalities to focus on delivering services to residents; and,
>
> Whereas local governments should have greater certainty and authority when decisions are consistent with approved Official Plans, provincial policies, and sound planning principles.
>
> Now Therefore be it Resolved:
>
> 1. That the Government of Ontario be requested to review the role and mandate of the Ontario Land Tribunal to ensure greater respect for municipal planning decisions that are supported by evidence, public consultation, and approved planning policies;

2. That the Province consider amendments to the Planning Act and Ontario Land Tribunal Act to provide stronger deference to municipal decisions that align with provincial planning frameworks and Official Plans;

3. That the Province improve transparency and accountability within the Ontario Land Tribunal by requiring clear and detailed reasoning when municipal decisions are overturned;

4. That the Province explore measures to reduce the financial burden on municipalities defending planning decisions before the OLT, helping to protect taxpayer dollars and improve the efficiency of the planning process; and,

5. That Staff be directed to circulate this resolution to the Premier of Ontario, the Minister of Municipal Affairs and Housing, Local Members of Provincial Parliament, the Association of Municipalities of Ontario (AMO), and all Ontario municipalities for consideration and support.
