Subject: **Introduction of Bill 27, the *Resource Management Safety Act, 2025* including proposed amendments to the *Forest Fires Prevention Act***

Good morning,

I am reaching out to share key updates on the continued efforts to modernize wildland fire management in Ontario.

Yesterday, the Hon. Mike Harris, Minister of Natural Resources, reintroduced the *Resource Management and Safety Act, 2025*. Included in the bill are proposed amendments to the *Forest Fires Prevention Act* (FFPA). The suite of proposed changes remains the same as what was introduced in November 2024 as part of Bill 228, aside from a small number of administrative updates that include edits to provide clarity.

The suite of changes would help strengthen collective responsibility for wildland fire management, improve awareness of wildland fire risk, expand prevention and mitigation, enhance preparedness and response, and strengthen rules and consequences for non-compliance with wildland fire laws. Please see the attachment for the list of proposed amendments.

To review the proposed amendments to the FFPA, please visit the Legislative Assembly of Ontario website: https://www.ola.org/en/legislative-business/bills/parliament-44/session-1/bill-27.

The introduction of this bill is a significant achievement as we continue our journey to modernize wildland fire management in Ontario. If the proposed amendments to the FFPA are passed, development of supporting regulations will follow. Your input will be very important to inform the regulations and what they will mean for you and your organization. Any forthcoming consultation on supporting regulations would occur

through the Environmental Registry and Regulatory Registry and will include opportunities for discussion.

We look forward to continuing to work with you to improve wildland fire management in Ontario to help keep people and communities safe.

Sincerely,

Amanda Holmes
Assistant Deputy Minister
Provincial Services Division

Enclosed: Proposed amendments to the *Forest Fires Prevention Act*

Proposed amendments to the *Forest Fires Prevention Act* (FFPA)

The proposed amendments include that the name of the FFPA would be changed to the Wildland Fire Management Act and that implementation of the Act would be guided by a new purpose statement. The statement would clarify that the purpose of the Act is "to provide guidance and direction for wildland fire management so as to protect public safety and minimize adverse environmental, economic, health and social impacts of wildland fires, and contribute to a resilient province."

Proposed amendments would achieve the following outcomes:

1. Clarify authority for the Minister to enter into agreements on all aspects of wildland fire management with, amongst others, municipalities, other governments or jurisdictions, Indigenous communities, and industry.
2. Require municipalities and certain industries in the fire region to have a wildland fire management plan that meets prescribed standards as set out in regulation. This could be updating an existing plan or preparing a new plan.
3. Clarify the Minister's order power to prohibit activities in areas that have been declared a wildland fire emergency area and provide the Minister with the authority to issue a permit allowing certain activities in certain circumstances.
4. Create a new power for the Minister to issue a remediation order and provide for opportunity for review of the order.
5. Enable the Minister to set out standard rates, terms and conditions (and their application/use) when privately owned equipment and operators are used to respond to wildland fires and wildland fire emergency events.
6. Enable administrative monetary penalties to address non-compliance with the FFPA and provide for an opportunity for review of the penalty.
7. Revise the provision on cost recovery for human-caused fires to eliminate the automatic establishment of debt to the Crown, thereby enabling the Minister to exercise discretion in determining whether the costs of suppressing or extinguishing a fire and any associated damages will be recovered.
8. Modernize and update enforcement provisions, including powers and authorities of different groups of officers under the Act, and
9. Administrative amendments, including changing the name of the Act, adding a purpose section and updating definitions.

Province Introduces Bill 30

Policy Update • May 29, 2025

Province Introduces Bill 30, *Working For Workers Seven Act, 2025*

Yesterday, the Ontario government tabled its seventh Working for Workers Bill (Bill 30). While the stated objective of supporting workers amidst potential job losses arising from the US-Canada trade dynamic is noted, one of its proposals raises significant concerns -- exempting Skills Development Fund Capital Stream-supported capital projects from the requirements of *The Municipal Act* and *The Planning Act*.

Earlier exemptions from municipal planning approvals, such as those related to public universities and "community service facilities" like K-12 schools, hospitals, and long-term care homes are aimed to expedite planning for public entities. Bill 30, however, marks a significant shift by:

- Extending expedited planning processes and exemptions from municipal authorities to private entities without the robust accountability and regulatory frameworks that characterize broader public sector bodies, solely by virtue of their qualification to access a source of provincial funding with broad eligibility; and
- Going beyond exemptions to *The Planning Act* to include exemptions to *The Municipal Act*. These powers could allow for waivers from municipal bylaws, including those related to property tax, development charges, and other local requirements with no clear purpose or rationale.

The cumulative impact of what is now the proposed ability of four separate Ministers to override municipal land use planning and other authorities also raises significant concern by increasing the likelihood of unintended consequences and diffuse accountability. Currently before the legislature are proposals to provide powers to:

- The Minister of Infrastructure to use Minister's Zoning Orders (MZOs) to override *The Planning Act* as part of Bill 17;
- The Minister of Economic Development, Job Creation and Trade to create Special Economic Zones (SEZs) to override *The Planning Act* and *The Municipal Act* as part of Bill 5; and
- The Minister of Labour, Immigration, Skills and Training to override *The Planning Act* and *The Municipal Act* for those in receipt of capital funding from the Skills Development Fund under Bill 30.

AMO continues to support the need for bold and innovative action to respond to unprecedented economic challenges. However, the threat of tariffs cannot be used to justify any and all proposals to override provincial and municipal laws. AMO will continue to analyze the proposal and seek opportunities to provide commentary to the legislature.

May 27th, 2025

Please be advised that the Council of the Town of Plympton-Wyoming, at its Planning Council meeting on May 26h, 2025, passed the following motion calling for a pause of the enactment of BILL 5 PROTECT ONTARIO BY UNLEASHING OUR ECONOMY ACT 2025:

MOTION TO PAUSE BILL 5 PROTECT ONTARIO BY UNLEASHING OUR ECONOMY ACT 2025

Whereas the province has introduced Bill 5, Protect Ontario by unleashing our Economy 2025 which is intended to speed up housing and economic development in Ontario.

And whereas the proposed legislation will include the repeal of the Endangered Species Act of 2007 and replace it with the Conservation Species Act of 2025.

And whereas the Ministry of Environment, Conservation and Parks primarily manages the Act, The Committee on the Status of Species in Ontario (COSSARO) is responsible for assessing and classifying species.

And whereas COSSARO is comprised of experts with scientific and traditional knowledge and operates independently from the government ensuring impartial assessments of species at risk, the provincial cabinet will now decide what species will remain or be removed from endangered, concerned or at-risk status.

And whereas the current law considers the habitat to be all the areas that the species relies on for living, gathering food, migrating, hibernating and reproducing. The new law however, narrows that definition to "a dwelling place, such as a den, nest or other similar place, that is occupied or habitually occupied by one or more members of a species for the purposes of breeding, rearing, staging, wintering or hibernating"

And whereas the legislation would gut environmental assessment processes, speed mining and infrastructure development and take a "register-first, ask-questions-later" approach that would allow developers to begin projects before their environmental implications are fully known and allow for economic zones which will eliminate any environmental mitigation measures or protections.

And whereas the legislation would eliminate provincial responsibility for federally listed migratory birds and aquatic species because it says such birds and species are under federal jurisdiction, even though the province has historically administered such duties.

And whereas the government will enhance funding for the Species Conservation Program, which will see contributions more than quadruple to $20 million each year for on the ground projects that directly support efforts to conserve and protect listed species, the funding will only go to projects in regions that would otherwise not be considered viable for housing priorities, essentially allowing for the extirpation of local ecoregions in Ontario.

And whereas while development is necessary for human progress, Bill 5 will pose significant challenges to mitigating water, soil and air pollution; will overexploit natural resources, and increase invasive species in each uniquely identified ecoregion in Ontario.

Now therefore be it resolved that the Council of Plympton-Wyoming urges the government to pause the proposed legislation and maintain strong environmental laws that prevent extinction of species and protect local ecoregions.

And furthermore, the Council of Plympton-Wyoming asks that the government recognize and give meaningful consideration to ecoregions in Ontario through their unique perspectives and preserve Ontario's natural heritage systems in the application of any proposed updated provincial legislation for the long-term growth, sustainability and well-being of our communities.

If you have any questions regarding the above motion, please do not hesitate to contact me by phone or email.

Subject: Raising Ontario Works (OW) and Ontario Disability Support Program (ODSP)

The Council of The Corporation of the City of Pickering considered the above matter at a Meeting held on May 26, 2025 and adopted the following resolution:

WHEREAS individuals and families receiving income support through Ontario Works (OW) and the Ontario Disability Support Program (ODSP) are facing increasing challenges in meeting basic needs due to rising costs of living;

And Whereas Statistics Canada notes that people with disabilities have a higher poverty rate and a lower rate of employment than the overall population;

And Whereas the annual income support for Ontario Works is currently $8,796.00 and $16,416.00 for Ontario Disability Support Program. These supports have not increased sufficiently to keep up with inflation and the cost of living. Such costs are anticipated to continue increasing;

And Whereas the low income measure for a single person in Greater Toronto Area is estimated to be approximately $27,343 annually, and the deep income poverty threshold is determined to be $20,508;

And Whereas Food Banks, including our local Food Banks, provide a necessary service with increasing demands in our communities;

And Whereas the Pickering Food Bank served 1,722 adults, and 1,054 children in February 2025;

And Whereas food banks are already reducing their distribution capacity; and it is anticipated that due to developing economic circumstances, such as the current tariff war, there will be increased unemployment, increased food prices, and a heightened demand for food distribution, while donations continue to decline;

And Whereas these economic trends will continue to erode the purchasing power of OW and ODSP recipients, increasing reliance on food banks and placing additional pressure on municipalities and community organizations;

Now therefore it be resolved that the Council of The Corporation of the City of Pickering directs through the Office of the Chief Administrative Officer:

1. That staff send a letter to the Premier of Ontario, Minister of Finance, Minister of Children, Community and Social Services, and the Minister for Seniors and Accessibility, to strongly urge that the Ontario Provincial Government significantly raise the payments of Ontario Works and Ontario Disability Support Program and the increases be reflected in the upcoming Provincial Budget and that the increased amount aligns with inflationary costs and thereby decrease the pressure on food banks and the reliance on municipalities and taxpayers to supplement the gap in financial need; and,

2. That a copy of this resolution be forwarded to all Members of Provincial Parliament (MPPs), the Regional Municipality of Durham, all Municipalities in the Province of Ontario, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) for their endorsement and advocacy.

Should you require further information, please do not hesitate to contact the undersigned at 905.420.4660, extension 2019.

5. General Business a) Budget Update	• On June 6, at their budget Meeting, the Municipality of Powassan approved the 2025 PDUPL budget presented in early January. • Invoices, and thank you letters were sent to each municipality. • Nipissing and Chisholm paid their fees up till the end of May. The January to May payment from Powassan is still pending. • Reminder to be sent to Powassan in early June	CEO

DRAFT

	• Library will be open on Saturdays beginning June 7th. • Suggestion made to include the monthly payment schedule in the next agreement and that payments be made monthly following the previous year's fees. Adjustment will be made once the new budget is approved.	
b) Patron Allegiance	• At the meeting with Powassan Mayor McIsaac and CAO, and Library Chair and CEO there was mention of recording the attendance of all patrons by having them sign in with name and address or, alternatively, using a fob to determine their provenance. CAO to research cost for FOB system at Municipalities expense. • CEO provided list to CAO of all patrons from Powassan with all identifying details deleted. Only the patron number will allow the library to identify the individual. Hopefully, this will be sufficient and no further tracking will be requested. • Library agreement was discussed and Chair reminded Mayor and CAO that the renewal date for said agreement is fall 2025. • At the council budget meeting request was made that all mayors be involved in forming agreement.	
c) Recording of minutes at Board Meeting	• Request for improved and more complete minutes, with relevant action required for each agenda entry. • Going forward, Board meetings will be audio recorded for better recalling of info. • Suggestion of having each board member be responsible for the minutes once a year.	CEO and Board members

DRAFT

e) Job Descriptions	• Job descriptions were presented. Request for highlighting changes to duties which occurred due to the rearranging of responsibilities.	CEO
f) Fundraising Opportunities	• Idea was submitted to sell packaged ice cream treats at the municipal pool during public swimming. Board decided the venture was not a good fit for the library. • Library is participating in an Urban Air Fundraiser, similar to ones being done in local schools. For every pass sold the library makes $10. • Knitter Knatter event on June 26th at 10am. Knitters will knit a multitude of cotton dish rags for the Friends of the Library.	Breya Market-Matthews
g) New Partnership with Municipalities	• Library forwarded email from Science North to the Powassan for their travelling summer program with an offer of sharing the cost. Answer still pending. • Requested information on availability of the municipal pool this summer so that a time may be scheduled for the Summer Reading Program kids. Waiting for answer. • Library agreed to supply books for a little library at Wasi Beach in Chisholm and made the same offer to Nipissing. Both Chisholm and Nipissing agreed to include library brochures in their small libraries.	
h) Grants update	• Hired two students for the Canada Summer Jobs Program: - Miles Robbins of North Bay, graduate of the teaching program at Nipissing University. - Shannel Sison of Powassan high school will graduate this year from Almaguin Highschool. Volunteered many hours at library since September 2024. Shannel will also be working on Saturdays as part of our reopening. • Applying for nine adult lifejackets through the Savinglives organization.	

DRAFT

i) Maple Syrup Festival Outcomes	• Total revenue for the day: $205 • Taffy was generously donated by Bella Hill Maple Syrup
