REPORT TO COUNCIL

Date: June 16, 2026

From: Dan MacInnis, Operations Superintendent
Kim Turnbull, Deputy Treasurer, Office Assistant

Re: Bear Creek Bridge and Abutment Construction
NIP-PW-10-2026 Invitational Tender

Background:

The Township of Nipissing issued a Statement for Pre-Qualification for the Bear Creek Bridge and Abutment Construction on April 17, 2026 closing on April 28th, 2026. The Township received 7 submissions and all 7 contractors met the pre-qualification requirements. The 7 contractors were invited to a mandatory site meeting on May 20th; 4 contractors were in attendance at the meeting.

On June 1, 2026 the Township issued an invitational tender NIP-PW-10-2026 for the Bear Creek Bridge and Abutment Construction to the 4 contractors in attendance at the meeting. The tender closed on June 11, 2026 and the Township received 2 bids.

Summary:

The large variance between the 2 bids received has created concern for proper project completeness and the projects success. In reviewing the submissions with Antoine Boucher, Municipal Engineer the figures provided by one of the bidders is well beyond the scope of the project.

Recommendation:

We respectfully request Council's permission to negotiate with each bidder to ensure adequate understanding of the project, ability to complete the bridge and abutment construction to our satisfaction and to the specifications of the bridge and abutment design.

Respectfully,
Dan MacInnis, Operation Superintendent
Kim Turnbull, Deputy Treasurer, Office Assistant
