Subject: Tillsonburg Town Council Decision Letter - April 14, 2025 - Strong Mayor Powers

Hello,

At the April 14, 2025, meeting of Tillsonburg Town Council, the following resolution was passed:

Resolution # 2025-125
Moved By: Councillor Spencer
Seconded By: Deputy Mayor Beres

THAT Council receive item 12.8 Ministry of Municipal Affairs and Housing Letter Re: Strong Mayor Powers, as information;
WHEREAS the Ontario government has proposed expanding the "strong mayor" powers to 169 additional municipalities under the proposed legislation on May 1, 2025, which would grant mayors in these municipalities more authority, particularly concerning the control of municipal budgets, planning and operational decisions;
AND WHEREAS this proposal has raised significant concerns regarding the centralization of power, erosion of local democracy, reduced accountability, and the potential for the abuse of power;
AND WHEREAS the proposed expansion of strong mayor powers undermines the collaborative nature of municipal governance, and diminish the role of elected municipal councillors in representing the diverse interests of the community;
AND WHEREAS concerns have been raised about the negative impacts on public trust, democratic participation, and municipal decision-making processes, if mayors are given the ability to bypass council decisions without adequate consultation or oversight;
NOW THEREFORE BE IT RESOLVED THAT the Council of the Town of Tillsonburg;

1. Does not support the proposed strong mayor powers as currently outlined;
2. Supports specific powers to mayors as it pertains to identifiable decisions regarding housing, development, infrastructure and transit to provide tools that reduce obstacles that can stand in the way of new housing and infrastructure developments;
3. Strongly suggests that free reign of decision-making regarding hiring, firing, committees and so forth be removed from the proposed authority;
4. Strongly suggests that members of current Council were duly elected officials by citizens with the awareness of one vote per council member and majority votes are the democratic process;
5. Requests that the Provincial Strong Mayor Powers proposed to take effect on May 1, 2025, be deferred to allow for greater clarity and that the Province seek collaborative input from the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO);
6. Directs staff to forward this resolution immediately to Minister Flack, Premier Ford, MPP Hardeman, the Association of Municipalities of Ontario (AMO), the Rural Ontario Municipal Association (ROMA), and all Ontario Municipalities before April 16, 2025.

Dear Minister,

RE: Opposition to Proposed Amendments to O.Reg. 530/22 to Expand Strong Mayor Powers

I am writing to express my opposition to the government's proposed expansion of Strong Mayor powers to include the Town of Saugeen Shores. As the Mayor of Saugeen Shores, I am concerned about the implications of this policy change on our local governance. Please consider this letter as the Town of Saugeen Shores submission on O.Reg. 530/22 which is available for comment until April 16th.

In my experience, the 'Council Manager' system of governance has always served our municipality well. Specifically, when it comes to advancing our shared priority of building more housing to serve our residents, Saugeen Shores Council has demonstrated flexible and determined leadership. Our Council has enabled housing by reducing red tape resulting in the construction of more than 600 multi-family residential units in the last two years alone. Given the strong and sustained commitment of our Council to these efforts, I do not see how the introduction of Strong Mayor powers will accelerate the construction of housing (or the pursuit of other priority areas) in any way. On the contrary, vesting these new powers in the Mayor threatens to disrupt long-established and effective processes, sidelining elected members of Council with effects that may be contrary to the interests of our residents.

Saugeen Shores has thrived for decades on the principle of shared leadership. We have an effective team of elected representatives working in partnership with a professional staff to achieve goals that are transparently set out in our Strategic Plan and annual Business Plans. This approach to governance is foundational to building trust between the municipality and the residents that it serves. I fear that the unilateral decision-making enabled by Strong Mayor powers would erode this trust and disrupt the collaborative environment that has long been at the heart of the democratic tradition of our Council and community.

I urge you to reconsider the expansion of Strong Mayor powers. If the government has a strong desire to advance these major changes to the governance of our municipality, I

request that you engage in a thorough consultation process with our Council and the residents of our community before moving forward. It is crucial that any changes to local governance structures be made in close partnership with the communities they impact.

Thank you for your attention to this matter. I look forward to your response and hope that we can work together in the interest of ensuring strong local governance in Saugeen Shores.

Sincerely,

Luke Charbonneau, Mayor

Dear Minister Flack,

On behalf of Council of the Town of Parry Sound, please accept my congratulations on your recent appointment as Minister of Municipal Affairs & Housing. It's an important Ministry and we look forward to working with you and Ministry staff.

The Ministry of Municipal Affairs & Housing provided notice on April 9th that the Ministry was seeking comments regarding its intent to extend strong mayor powers to an additional 169 municipalities, including the Town of Parry Sound. The comment period was open until April 16th. These additional powers are not powers that I as Mayor believe are necessary and do not wish to exercise them. At our April 15th meeting, Council unanimously voted to reject strong mayor powers, request the province to repeal the legislation, or alternatively permit municipalities to opt out.

We were disappointed that there was no previous communication before the April 9th letter, with a comment period of only one week. Contrary to provincial claims that strong mayor powers will get homes and infrastructure built faster, reduce red tape and accelerate the delivery of key priorities, research by the Association of Municipal Clerks & Treasurers of Ontario (AMCTO) has found no evidence to suggest this legislation has any impact on the number of housing starts in municipalities that have been granted the powers; and moreover the strong mayor powers have blurred the political-administrative authority between the roles of head of council and Chief Administrative Officers (CAOs) and senior staff, threatening the neutrality of the public service and politicizing local government leadership. We have seen very questionable use by mayors with strong mayor powers.

...2

Our public expects a democratic process. Given the overwhelming use of executive orders by the current US President and multiple respected analysts' concerns about the US slipping into authoritarianism, our country and its democratic institutions should be safeguarding these democratic principles that provide accountability to the public and not undermining them.

We encourage the provincial government to repeal this legislation.

Whereas the Province has announced the expansion of strong mayor powers to another 169 municipalities as of May 1, 2025 in addition to the 47 municipalities which currently have received strong mayor powers; and

Whereas the Province claims that strong mayor powers will get homes and infra-structure built faster, reduce red tape, and accelerate the delivery of key priorities; and

Hon. Doug Ford
Premier of Ontario
Via email: Premier@ontario.ca

At the April 16, 2025 regular meeting of the Council of the Township of Zorra, the following resolution was passed:

WHEREAS the Ontario government has proposed expanding the "strong mayor" powers to 169 additional municipalities under the proposed legislation, which would grant mayors in these municipalities more authority, particularly concerning the control of municipal budgets and planning decisions;
AND WHEREAS this proposal has raised significant concerns regarding the centralization of power, erosion of local democracy, reduced accountability, and the potential for the abuse of power;
AND WHEREAS the proposed expansion of strong mayor powers undermines the collaborative nature of municipal governance, and diminishes the role of elected municipal councillors in representing the diverse interests of the community;
AND WHEREAS concerns have been raised about the negative impacts on public trust, democratic participation, and municipal decision-making processes, if mayors are given the ability to bypass council decisions without adequate consultation or oversight;
NOW THEREFORE BE IT RESOLVED THAT the Council of the Township of Zorra opposes the expansion of Strong Mayor Powers;
AND THAT the Council formally expresses its opposition to the Ontario government's proposal to expand Strong Mayor Powers to preserve local democracy, transparency, and accountability;
AND THAT the Council encourages advocacy for democratic principles and for municipal governance systems that prioritize collaboration, inclusivity, and democratic engagement;
FURTHER BE IT RESOLVED THAT a copy of this motion be forwarded to the Ontario Premier, the Minister of Municipal Affairs and Housing, all Ontario municipalities, as well as the Association of Municipalities of Ontario (AMO) for further action.

The Honourable Premier Ford:

Re: Resolution regarding Salt Management

Please be advised that Town Council adopted the following motion concerning Salt Management;

RESOLUTION NO. C-2025-0077
Moved By Councillor Neeson
Seconded By Regional Councillor Davison

WHEREAS road salt is a known toxic substance designated under the Canadian Environmental Protection Act because of tangible threats of serious and irreversible environmental and public health concerns associated with road salt; and

WHEREAS salt levels in Ontario's groundwater aquifers, creeks, rivers, and lakes have increasingly worsened since the 1970s, seriously affecting municipal drinking water sources and aquatic life; and

WHEREAS Lake Simcoe is our closest freshwater lake and is the 4th largest inland lake within Ontario, host to a number of functions including a biodiverse habitat for over 56 species of fish, the source water for municipal drinking water for hundreds of thousands of residents within the watershed, including 41,000 here in the Town of Georgina, and the many other recreational and commercial functions it serves; and

WHEREAS Lake Simcoe's salinity concentrations have increased over 500% since monitoring began over the past 50 years, with the primary contributor being runoff from the use of salt for winter maintenance; and

WHEREAS the Ontario and Canadian governments have taken many actions over the past 25 years including setting water quality guidelines, developing voluntary codes of practice, signing the Canada-Ontario Great Lakes Agreement, and holding workshops, yet still the salt problem continues to grow; and

WHEREAS numerous situation analyses have recommended salt solutions involving liability protection, contractor certification, government-approved Best Management Practices (BMPs) and salt management plans; and

WHEREAS increased numbers of slip and fall claims, and other injury/collision claims related to snow and ice, are resulting in salt applicators overusing salt beyond levels considered best practices; and

WHEREAS unlimited contractor liability is making it difficult or expensive for snow and ice management contractors to obtain insurance coverage, resulting in contractors leaving the business, thereby making it difficult for municipalities and private owners to find contractors; and

WHEREAS the Snow and Ice Management Sector (SMS) of Landscape Ontario is working with the Ontario government to institute a limited liability regime for snow and ice management, including enforceable contractor training/certification and government-approved BMPs for salt application; and

WHEREAS many Ontario municipalities have Salt Management Plans, but these often require updating in light of improved science and better salt management practices now available; and

WHEREAS The Town of Georgina shares fifty-two (52) kilometers of beautiful Lake Simcoe shoreline and all 288 square kilometers of the Town of Georgina are encompassed by sub-watersheds that drain into Lake Simcoe; and

WHEREAS road authorities that use salt, such as the Town of Georgina, must abide by, and benefit from, established provincial regulations around snow clearing and maintenance, whereas private contractors only have voluntary programs for salt use for private and commercial property management; and

WHEREAS the Town of Georgina has demonstrated great initiative in salt mitigation efforts including committing to the use of rock salt alternatives, installation of electronic spreader controllers on all material spreading units, reduced application rates when appropriate, use of pre-wet and brine when appropriate, and an updated salt management plan that outlines salt best management practices specific to the Corporation of the Town of Georgina's winter maintenance operations

NOW THEREFORE BE IT RESOLVED THAT:

1. That the Town of Georgina urges the Province of Ontario to work urgently with key stakeholders to develop limited liability legislation, including enforceable contractor training and a single set of provincially endorsed standard Best Management Practices for snow and ice management; and

2. That the Town of Georgina urges the Province of Ontario to create and fund an expert stakeholder advisory committee to advise the province and municipalities on the best courses of action to protect freshwater ecosystems and drinking water from the impacts of salt pollution; and

3. That the Town of Georgina continues to commit to the reduction of the use of road salt as much as possible while meeting local service levels and maintaining safety on roads and sidewalks; and

4. That a copy of this resolution be sent to all municipalities in York Region, all Lake Simcoe Watershed municipalities; all municipalities in Ontario; The Chippewas of Georgina Island First Nation and The Lake Simcoe Region Conservation Authority requesting their endorsement; The Association of Municipalities of Ontario (AMO); all Lake Simcoe Watershed MPPs; Conservation Ontario; The Ontario Salt Pollution Coalition; The Rescue Lake Simcoe Coalition; Minister Todd McCarthy (MECP); Attorney General Doug Downey, and The Honourable Premier Doug Ford.

Accordingly, we respectfully request your consideration of this resolution.

Sincerely,
FOR THE TOWN OF GEORGINA,

Dear Premier Ford:

Re: Proposal to End Daylight Savings Time in Ontario

Please be advised that the Council of the Township of Otonabee-South Monaghan at its meeting on April 28th, 2025 passed the following resolution:

R107-2025

Moved by Councillor Terry Holmes
Seconded by Councillor Mark Allen

Whereas Ontario already has the legislative framework to end the antiquated practice of Daylight Saving Time (DST), as per the Time Amendment Act of 2020: But New York has delayed us for over 4 long years.

And Whereas the Case for Ending DST immediately pertains to clear and present Health and Public Safety concerns: Clock shifts spike heart attacks, accidents, and stress, per the Canadian Society for Chronobiology. Kids lose focus, domestic violence rises, and vulnerable folks—mentally ill, homeless, addicts—face unnecessary strain and relapse risks. Indigenous health gaps deepen as DST clashes with traditions. Standard Time aligns with nature, easing healthcare burdens and healthcare costs.

And Whereas ending DST is a clear and permanent assertion of the economic independence of Ontario: Our new, post tariff economic reality exposes the reliance on New York for our internal policy as outdated. Ontario should look out for Ontarians, and

our sovereignty must be asserted. Quebec already considers the change; so 15 million Ontarians should not continue to wait on NY. Businesses will adapt; citizens will gain stability. Over 100,000 petition voices and 70% of Ontarians agree. Ontario must take the lead, and hopefully NY can eventually follow our lead for the good of their own people.

Therefore be it resolved that we request staff to distribute this communication to all the Municipalities, Chiefs & Councils of Ontario in addition to the Premier of the Govt. of Ontario and urge the Premier to:

1. Amend the Time Amendment Act 2020 to drop New York's contingency, effective immediately.
2. Set permanent Standard Time (EST) from November 2, 2025.

CARRIED.

Yours truly,
Township of Otonabee-South Monaghan

AMO Policy Update - Municipal Governance Changes

Municipal Codes of Conduct Legislation

AMO welcomes the reintroduction of legislation that responds to the sector's calls for codifying and enforcing higher standards of accountability for elected officials.

Legislation was promised three years ago following an extensive public consultation process that concluded in Fall 2021. If passed and once regulations are finalized, this legislation will largely deliver on those promises by:

- enabling standardization of the municipal codes of conduct and integrity commissioner investigation processes;
- creating a role for the Integrity Commissioner of Ontario in municipal codes of conduct and integrity commissioner matters; and
- establishing a mechanism to remove and disqualify from office members of council and certain local boards for the most serious violations.

AMO wrote to Minister Flack in early April recommending some amendments to the proposed legislation, specifically noting that the consensus threshold for the proposed removal from office is too high and progressive penalties are still needed.

Strong Mayor Powers

The province has proposed additional strong mayor powers for an additional 169 municipalities. These would come into effect on May 1, 2025. The extension of the additional authority is intended to assist with delivering on provincial priorities, including building more homes, transit and infrastructure across Ontario.

We have heard from members across the province with questions about these new powers and how municipalities can use them responsibly.

Given these powers are new and that the Ministry is best placed to speak to the intention behind these powers, AMO also wrote to Minister Flack in response to member feedback encouraging the province to provide resources and training for the municipal sector, including elected officials, to help ensure effective implementation of the provincial strong mayor power framework.

As the most trusted order of government, AMO knows municipalities can be counted on to exercise new powers accountably and in the best interests of the public and the communities they serve.

This Policy Update is also available to read on the AMO Website.
