REPORT TO COUNCIL

Date: December 12, 2023

From: Kris Croskery-Hodgins, Municipal Administrator

Re: SCBA RFP Results

BACKGROUND/OVERVIEW

An RFP was issued for the supply of 12 new Self-Contained Breathing Apparatus (SCBA) backpack and harness assembly, thirty-two new facepieces with protective bag, thirty-three 4500 pse, carbon fibre, 45-minute air cylinders, a RIT pack, and two 6000 pse ASME air cylinders. The RFP closed on December 1, 2023.

Results:

Company Name	Points Average	Cost Before Tax
AJ Stone	76	$147,366
M&L Supply	46	$162,197
TransCanada Safety	99	$138,512.79
TransCanada Safety	96	$146,971.54

SCBA replacement is scheduled in 2025 for the required 15 year replacement. With anticipated changes to the NFPA Standard regarding SCBA units in 2025, an RFP was circulated in 2023 for pricing and supply stability in 2024.

The original capital forecast cost is $150,000 and there is currently $50,000 in Reserve for the purchase of the units.

FINANCIAL IMPACT

The amount of the project can be incorporated in the 2024 Capital Budget.
$138,512.79 before required taxes.

$50,000 in reserve for the replacement.

Leaving $88,512.79 be included in the Fire Department budget in 2024.

SUMMARY

Staff evaluated all submissions on a point system as provided in the RFP document.

Based on the meeting of requirements as demonstrated in the RFP document, pricing and supply estimations, the lowest bid received is the most cost-effective in the 2024 Budget.

RECOMMENDATION:

It is recommended that Council accept the submission from TransCanada Safety, submission #1, at a discounted cost of $138,512.79 if approved prior to December 31, 2023.

Respectfully,

Kris Croskery-Hodgins, Municipal Administrator
