REPORT TO COUNCIL

Date: August 11, 2026

From: Dan MacInnis, Operations Superintendent

Re: Update on Electronic Landfill Card Transition

Background:

Council passed Resolution R2026-77 at the April 7, 2026 Council Meeting implementing the Electronic Swipe Program at each of the landfill sites effective September 30, 2026. The electronic landfill cards were mailed out with the final tax bills the week of June 15 with the June 2026 Newsletter. The Newsletter provided information to residents on the background of the cards, how to use them and the replacement fee under User Fee By-Law 2026-20. In June, the Landfill Attendants provided a flyer to residents on the implementation of the new electronic landfill card system.

Summary:

The Township received approximately 25 telephone calls and 10 in-person inquiries about the electronic cards. Frequently asked questions included; effective dates; number of cards per property; and suggestions on how to share a card between multiple residents/property visitors. Staff provided direction and explanation to the resident's questions who were then satisfied and understood the reasoning behind the program.

The Township received 2 written requests for additional cards due to sharing the property with multiple owners/family members. One letter requested Council consider allowing multiple Landfill Cards per property for such situations, when next reviewing the landfill program.

Although residents have until September 30th to implement the new electronic cards, residents began using the electronic cards once received. To date, the following reports have been provided from the electronic cards:

Month	Total Bags Dropped Off	Total Cards Used
June 18-30	933	444
July 1-31	3,587	1,792
Aug 1 & 2	534	251

The Landfill Attendants and office staff have received positive feedback regarding the new landfill cards.

Recommendation:

Staff bring a report to Council in September 2027 for a full review of the program and data.

Respectfully,
Dan MacInnis, Operation Superintendent
Kim Turnbull, Deputy Treasurer, Office Assistant
